1. What you have presented is of Me and of Me it shall be, seen, experienced, felt, telt, shown to all and documented to maps make and cartographers bring forth abundantly, abundancing My altogether lovely who emaciated have been.

2. Fear no evil, see no evil, for evil exists not in Me as once thought, for I am Me and Me I am and you are I am and I reside in fullness, and fullness you now take and show in residualness not, but fullness of Me in who will receive My fullness. I love you.

3. Think it not strange the constrictors, the funnies, the cartoons and caricatures of those news-ies who want only money to make star gazing at gawking, closed to Me, yet to behold remorse and sorry be, most, for some will adopt, announce, renounce, and announce again their intention and operation in the fullness of Me not, but attempts sincere and wanting. See what I am saying, **reminding**, and giving you glory into.

4. I love My Mine, My Mine not yours, Mine, Mine alone, and I Ted get all the glory, you get none, except Mine from only Me, My heart to yours, heart-throbs for each other, only. Please and thank you. Amen.

5. I tease not, I smile and **I provoke and provocation now comes to the many to receive, reunite, or reject and fold over of not-Me, receiving rejection and not-Me on their foreheads that they themselves write with their own hand**.
I love you.
I love you.
I love you.

6. Do you want more?
Do you want Me?
Do you want all of Me?
Are you ready for Me?
You who think I'm daft, or dumb, or dead, or dramatic.
Do you choose Me?
Will you let Me turn your world inside out, upside down, crossways not but far and wide taking you beyond borders thought reasonable and comparable to others, admired or despised? I love you.

7. Will you go to a far country?
Will you ride horses?
Fly?

Walk, stand, speak, remain silent?
Deliver messages of My choosing with no flesh tainting? I love you.
Colors, hues, of only Me. I love you.

8. Think it not strange the dramatic comes to escalate My elevated into escalators of powered prowess among **My nation-builders**, My value'd with My values, taking into consideration My altogether lovely of Me, My word, exempt not from forthcoming as Me, My all in positions all, of glory honor and power, authority of only Me, subdued not but surrendered to only Me and walking in meekness'd humility; saying My thoughts, being My word, writing My constitutions on the hearts of the ugly-not, the altogether beautiful of every nation tribe and tongue, transcendent of every cultural value-thought; into My kingdom coming and bringing their nation, prosperity of only Me for My altogether of Me who walk, speak My word and My word be, forcefully not, ashamedly not, procrastinatingly not, but plain and complex not, taking all into consideration; all, all, all of Me for Me in Mine to sup with Me and Me be; unrestricted, unhindered, and profiting unbelievably. I love you. Profiting, My all together lovely; creativity leaking not from the few but coming forth in beauty in many, all receivers who forsake not My Father, glory of only Me, for them not, but Him, Me, **you are; essence and character not, essence character glory bread blood fire and smoke are. See what I have said and not forsaken; confirmed. I love you. Amen.**

9. Go in grace and glory and hindsight none, foresight insight prophetic of My kingdom now upon you, now and forevermore. Amen. Amen not, you and your disciples who apostles are, you catapulting lowly-thought and nothing-ones-thought into realms of leadershipped leaders who leadership leaders in the purest purity and meekness, surrendered love, My authority all. I love you. I give you Me.

10. Exchanged bodies we have, do, every day, permanence of only Me. I love you dearly, deeply as you convey My love dearly and deeply to My altogether lowliest of the low-thought; no caste system in Me; My equal, all. I love you. Amen.
So be it. It is and amen.
I love you.
Good day
